

STUDENT FIELD TRIPS AND EXCURSIONS
(Consent to Search – Overnight Travel)

I am the parent/legal guardian of _____, a student in the Willard Public School District (“District”).

I recognize participation in school-sponsored activities is a privilege and not a right. I understand and recognize the District is interested in ensuring students do not bring items prohibited by school policies, such as weapons, alcohol and controlled substances on trips. I recognize school policies prohibit such items (as well as look-alike items) at school activities and on school vehicles, whether on or off campus.

As a condition of my child’s participation in activities that require overnight travel, I voluntarily grant the Willard School District full consent to search any materials or other items my child has presented to be carried into/onto, has actually carried into/onto, or has possessed in: 1) any school vehicle that will be used for transporting my child to/from activities; or 2) any room in which my child is housed at the activity location. I understand my consent will permit school officials to open and examine my child’s suitcase, book bag, purse and other accessory items. I further understand my consent will permit school officials to require my child to empty/open the pockets of their exterior clothing such as their jacket, coat or pants in view of school officials.

I understand and acknowledge the District will have no financial or legal responsibility for damage arising out of such searches. I also understand I have the ability to refuse to sign this consent form, and if I refuse to sign, my child will not be permitted to participate in the overnight activity. I further understand refusing to sign this form will have no adverse effect upon my child’s grade, and they may be assigned an alternative assignment if grades are given for said trip.

By signing this form, I understand and consent to the activity-related searches as described above for as long as my student attends the Willard Public School District and chooses to participate in school-sponsored activities.
